The County Council for Montgomery County, Maryland approves the following Act:

Sec. 1. Section 16-2 is amended as follows:

16-2. Boundaries of Council districts.

The boundaries of the 5 Council districts required under Section 103 of the County Charter are as follows.

[(a) District 1. The southern boundary of District 1 begins at the junction of the boundary lines of Montgomery County (Maryland), the District of Columbia and Fairfax County (Virginia); thence northwesterly along the boundary line of Montgomery County and Fairfax County to a point on a line of prolongation from Muddy Branch; thence north along said line of prolongation, crossing the Potomac River and circumscribing Watkins Island to Muddy Branch; thence meandering northerly and easterly along the center line of Muddy Branch to its intersection with Turkey Foot Road; thence easterly along the center line of Turkey Foot Road to its junction with Travilah Road; thence northeasterly along the center line of Travilah Road to its junction with Piney Meetinghouse Road; thence southerly along the center line of Piney Meetinghouse Road to its intersection with the right-of-way of the Potomac Electric Power Company (PEPCO) power line; thence easterly along the center line of the PEPCO right-of-way to its intersection with Falls Road (Md. Route 189); thence northeasterly along the center line of Falls Road to its immediate junction with Montrose Road; thence east along the center line of Montrose Road, continuing as Randolph Road at Rockville Pike (Md. Route 355), to the intersection of Randolph Road with Parklawn Drive; thence north along the center line of Parklawn Drive to its intersection with the right-of-way of the Rockville Facility (formerly the proposed Outer Beltway right-of-way); thence northeast along the center line of the Rockville Facility right-of-way approximately 2000

feet and due north to its junction with a southern boundary line of Rock Creek Regional Park; thence east along said Park boundary line and a line of prolongation to Rock Creek at a point opposite Edgebrook Road; thence meandering southeasterly along the center line of Rock Creek to its intersection with the boundary line of Montgomery County and the District of Columbia; thence southwest along said boundary line to its junction with the boundary lines of Montgomery County, the District of Columbia and Fairfax County, the point of beginning.]

[(b) District 2. The southwestern boundary of District 2 begins at the confluence of Muddy Branch with the Potomac River; thence continuing south along a prolongation from Muddy Branch across the Potomac River and circumscribing Watkins Island, to the boundary line of Montgomery County (Maryland) and Fairfax County (Virginia); thence northwesterly and northeasterly along said boundary line, continuing as the boundary line of Montgomery County and Loudoun County (Virginia), to its junction with the boundary line of Montgomery County and Frederick County (Maryland); thence northeast along said boundary line, continuing as the boundary line of Montgomery County and Carroll County (Maryland) to its convergence with the boundary line of Montgomery County and Howard County (Maryland); thence southwesterly and southeasterly along said boundary line to its junction with Ednor Road; thence southwesterly along the center line of Ednor Road, continuing as Layhill Road (Md. Route 182) at Norwood Road, to its junction with Norbeck Road (Md. Route 28); thence southwesterly along the center line of Norbeck Road to its junction with Muncaster Mill Road (Md. Route 115); thence northwesterly along the center line of Muncaster Mill Road, continuing as Snouffer School Road at

55 Woodfield Road (Md. Route 124), to the junction of Snouffer School
56 Road with Goshen Road; thence south along the center line of Goshen
57 Road, continuing as North Summit Avenue at Girard Street, to its
58 intersection with the municipal boundary line of the City of
59 Gaithersburg on the north side of Park Avenue; thence southwest and
60 northwest along said municipal boundary line, crossing through the
61 Asbury Methodist Home property, to its junction with the municipal
62 boundary line on the southeastern side of Odend'hal Avenue; thence
63 northeast along the southeastern side of Odend'hal Avenue to its
64 junction with Lost Knife Road; thence northwesterly along the south
65 side of Lost Knife Road to its junction with Montgomery Village
66 Avenue; thence southwesterly along the center line of Montgomery
67 Village Avenue to its junction with the municipal boundary line of the
68 City of Gaithersburg; thence west, northerly, and southwesterly along
69 said municipal boundary line to its intersection with Whetstone Run;
70 thence meandering westerly along Whetstone Run to its immediate
71 intersection with Watkins Mill Road; thence northeasterly along the
72 center line of Watkins Mill Road to its intersection with a northern
73 municipal boundary line of the City of Gaithersburg; thence westerly
74 along said municipal boundary line to its intersection with Frederick
75 Road (Md. Route 355); thence northwesterly along the center line of
76 Frederick Road to its immediate intersection with Great Seneca Creek;
77 thence meandering southwesterly along the center line of Great Seneca
78 Creek to its intersection with the right-of-way of the Potomac Electric
79 Power Company (PEPCO) power line; thence southeasterly along the
80 center line of the PEPCO right-of-way to its intersection with
81 Darnestown Road (Md. Route 28); thence southwesterly along the

center line of Darnestown Road to its junction with Jones Lane; thence southerly along the center line of Jones Lane to its intersection with Turkey Foot Road; thence southeasterly along the center line of Turkey Foot Road to its intersection with Muddy Branch; thence meandering southwesterly along the center line of Muddy Branch to its confluence with the Potomac River, the point of beginning.]

[(c) District 3. The southwestern boundary of District 3 begins at the intersection of Muddy Branch and Turkey Foot Road; thence northwesterly along the center line of Turkey Foot Road to its junction with Jones Lane; thence northerly along the center line of Jones Lane to its junction with Darnestown Road (Md. Route 28); thence northeasterly along the center line of Darnestown Road to the right-of-way of the Potomac Electric Power Company (PEPCO) power line; thence northwesterly along the center line of the PEPCO right-of-way to its intersection with Great Seneca Creek; thence meandering northeasterly along the center line of Great Seneca Creek to its intersection with Frederick Road (Md. Route 355); thence southeasterly along the center line of Frederick Road to its immediate intersection with the northern municipal boundary line of the City of Gaithersburg; thence northeasterly, southeasterly, and northeasterly along said municipal boundary line to its intersection with the center line of Watkins Mill Road; thence southwest along the center line of Watkins Mill Road to its intersection with Whetstone Run; thence meandering easterly along Whetstone Run to its immediate intersection with a northern municipal boundary line of the City of Gaithersburg; thence southeasterly along said municipal boundary line to its junction with Montgomery Village Avenue; thence northeasterly along the center line of Montgomery

Village Avenue to its junction with Lost Knife Road; thence southeasterly along the south side of Lost Knife Road to its junction with Odend'hal Avenue; thence southwesterly along the southeastern side of Odend'hal Avenue to its intersection with the north side of Russell Avenue; thence southeast, following the municipal boundary line of the City of Gaithersburg and crossing through the Asbury Methodist Home property to the junction of said municipal boundary line on the north side of Park Avenue with North Summit Avenue; thence north along the center line of North Summit Avenue, continuing as Goshen Road at Girard Street, to its junction with Snouffer School Road; thence southeasterly along the center line of Snouffer School Road, continuing as Muncaster Mill Road (Md. Route 115) at Woodfield Road (Md. Route 124), to the intersection of Muncaster Mill Road with the North Branch of Rock Creek; thence meandering southwesterly along the center line of the North Branch to its northeastern confluence with Lake Bernard Frank; thence southwesterly along the center line of Lake Bernard Frank to its southwestern confluence with the North Branch of Rock Creek; thence meandering southwesterly along the center line of the North Branch to its confluence with Rock Creek; thence meandering southerly along the center line of Rock Creek to a point opposite Edgebrook Road; thence due west along a line of prolongation from a southern boundary line of Rock Creek Regional Park to its junction with the right-of-way of the Rockville Facility (formerly the proposed Outer Beltway right-of-way); thence southwesterly along the center line of the Rockville Facility right-of-way to its intersection with Parklawn Drive; thence south along the center line of Parklawn Drive to its intersection with Randolph

Road; thence west along the center line of Randolph Road, continuing as Montrose Road at Rockville Pike (Md. Route 355), to the junction of Montrose Road with Falls Road (Md. Route 189); thence southwesterly along the center line of Falls Road to its immediate intersection with the right-of-way of the Potomac Electric Power Company (PEPCO) power line; thence westerly along the PEPCO right-of-way to its intersection with Piney Meetinghouse Road; thence northeasterly along the center line of Piney Meetinghouse Road to its junction with Travilah Road; thence southwesterly along the center line of Travilah Road to its junction with Turkey Foot Road; thence westerly along the center line of Turkey Foot Road to its intersection with Muddy Branch, the point of beginning.]

- [(d) District 4. The southeastern boundary of District 4 begins at the junction of the boundary line of Montgomery County (Maryland) and Prince George's County (Maryland) with Cherry Hill Road; thence northwesterly along the center line of Cherry Hill Road to Columbia Pike (U.S. Route 29); thence southwesterly along Columbia Pike, continuing as Colesville Road (U.S. Route 29) at Northwest Branch, to the intersection of Colesville Road and University Boulevard West (Md. Route 193); thence northwesterly along the center line of University Boulevard West to its intersection with Georgia Avenue (Md. Route 97); thence north and northwesterly along the center line of Georgia Avenue to its intersection with Weller Road; thence westerly along the center line of Weller Road to its intersection with Connecticut Avenue (Md. Route 185); thence southerly along the center line of Connecticut Avenue to its intersection with Veirs Mill Road (Md. Route 586); thence northwesterly along the center line of Veirs Mill Road to its

intersection with Rock Creek; thence meandering northerly along the center line of Rock Creek to its junction with the North Branch of Rock Creek; thence meandering northeasterly along the center line of the North Branch to its southwestern confluence with Lake Bernard Frank; thence northeasterly along the center line of Lake Bernard Frank to its northeastern confluence with the North Branch of Rock Creek; thence meandering northeasterly along the center line of the North Branch to its intersection with Muncaster Mill Road (Md. Route 115); thence southeast along the center line of Muncaster Mill Road to its junction with Norbeck Road (Md. Route 28); thence northeasterly along the center line of Norbeck Road to its junction with Layhill Road (Md. Route 182); thence northeast along the center line of Layhill Road, continuing as Ednor Road at Norwood Road, to the intersection of Ednor Road with the boundary line of Montgomery County and Howard County (Maryland); thence southeasterly along said boundary line to its junction with the boundary line of Montgomery County and Prince George's County; thence southwesterly along said boundary line to its intersection with Cherry Hill Road, the point of beginning.]

- [(e) District 5. The southern boundary of District 5 begins at the junction of the boundary lines of Montgomery County (Maryland), Prince George's County (Maryland), and the District of Columbia; then northwest along the boundary line of Montgomery County and the District of Columbia to the northernmost apex of the District of Columbia; then southwest along the boundary line of Montgomery County and the District of Columbia to its intersection with Rock Creek; then meandering westerly and northwesterly along the center line of Rock Creek to its intersection with Veirs Mill Road (Md. Route 586); then southeast along the center

line of Veirs Mill Road to its intersection with Connecticut Avenue (Md. Route 185); then northerly along the center line of Connecticut Avenue to its intersection with Weller Road; then northeasterly along the center line of Weller Road to its intersection with Georgia Avenue (Md. Route 97); then southeasterly and south along the center line of Georgia Avenue to its intersection with University Boulevard West (Md. Route 193); then southeasterly along the center line of University Boulevard West to its intersection with Colesville Road (U.S. Route 29); then northeasterly along the center line of Colesville Road, continuing as Columbia Pike at Northwest Branch, to the junction of Columbia Pike and Cherry Hill Road; then southeasterly along the center line of Cherry Hill Road to its intersection with the boundary line of Montgomery County and Prince George's County; then southwest, southeast, south, and southwesterly along that boundary line to its junction with the boundary line of Montgomery County and the District of Columbia, the point of beginning.]

District 1: The southern boundary of District 1 begins at the junction of the boundary lines of Montgomery County (Maryland), the District of Columbia, and Fairfax County (Virginia); then northwesterly along the boundary line of Montgomery County and Fairfax County to a point on a line of prolongation from Muddy Branch; then north along said line of prolongation, crossing the Potomac River and circumscribing around the northwestern end of Watkins Island to Muddy Branch; then meandering northerly and easterly along the center line of Muddy Branch to its intersection with Turkey Foot Road; then easterly along the center line of Turkey Foot Road to its junction with Travilah Road; then northeasterly along the center line of Travilah Road to its junction

217 with Piney Meetinghouse Road; then southerly along the center line of
 218 Piney Meetinghouse Road to its intersection with the right-of-way of the
 219 Potomac Electric Power Company (PEPCO) power line; then easterly
 220 along the center line of the PEPCO right-of-way to its intersection with
 221 Watts Branch; then meandering northeasterly along the center line of
 222 Watts Branch to its intersection with the southern municipal boundary
 223 line of the City of Rockville; then southeasterly along the southern
 224 municipal boundary line to its junction with the center line of Falls
 225 Road; then southerly along the center line of Falls Road to its
 226 intersection with the southern municipal boundary line of the City of
 227 Rockville; then southeasterly and northeasterly along the municipal
 228 boundary line of the City of Rockville to its junction with the center line
 229 of Seven Locks Road; then southerly along the center line of Seven
 230 Locks Road to its intersection with the center line of Montrose Road;
 231 then east along the center line of Montrose Road to its junction with the
 232 municipal boundary line of the City of Rockville east of Wilmart Street;
 233 then northerly and easterly along the municipal boundary line to the
 234 center line of East Jefferson Street; then north along the center line of
 235 East Jefferson Street to the municipal boundary line of the City of
 236 Rockville; then easterly along the municipal boundary line to the center
 237 line of Rockville Pike (Md. Route 355); then northwesterly along the
 238 center line of Rockville Pike to its intersection with Halpine Road; then
 239 northeasterly along the center line of Halpine Road to a point on a line
 240 of prolongation from Fishers Lane; then easterly along said line of
 241 prolongation to Fishers Lane; then easterly along the center line of
 242 Fishers Lane to its junction with the western boundary line of Parklawn
 243 Cemetery; then following the western, southern and eastern boundary

lines to the junction with the Rock Creek Park boundary line; then east, south, and again east, along the Rock Creek Park boundary line, and east on a line of prolongation from the Rock Creek Park boundary line to Rock Creek at a point opposite to Edgebrook Road; then meandering southeasterly along the center line of Rock Creek to its intersection with the boundary line of Montgomery County and the District of Columbia; then southwest along said boundary line to its junction with the boundary lines of Montgomery County, the District of Columbia and Fairfax County, the point of beginning.

District 2: The southwestern boundary of District 2 begins at the confluence of Muddy Branch with the Potomac River; then continuing south along a line of prolongation from Muddy Branch across the Potomac River and circumscribing around the northwestern end of Watkins Island, to the boundary line of Montgomery County and Fairfax County; then northwesterly and northeasterly along said boundary line, continuing as the boundary line of Montgomery County and Loudoun County (Virginia), to its junction with the boundary line of Montgomery County and Frederick County (Maryland); then northeast along said boundary line, continuing as the boundary line of Montgomery County and Carroll County (Maryland) to its convergence with the boundary line of Montgomery County and Howard County (Maryland); then southwesterly and southeasterly along the boundary line of Montgomery County and Howard County to its intersection with Georgia Avenue (Md. Route 97); then southerly along the center line of Georgia Avenue to the municipal boundary line of Brookeville; then northerly, easterly and southerly along the municipal boundary to the center line of Brighton Dam Road; then easterly and northeasterly along

the center line of Brighton Dam Road to its intersection with the center
 line of Hawlings River; then meandering southerly along the center line
 of Hawlings River to its intersection with the center line of Gold Mine
 Road; then northeasterly along the center line of Gold Mine Road to its
 junction with the center line of New Hampshire Avenue (Md. Route
 650); then southeasterly along the center line of New Hampshire
 Avenue to its junction with the center line of Brooke Road; then
 southwest and southeast along the center line of Brooke Road to its
 intersection with the center line of Olney-Sandy Spring Road (Md.
 Route 108); then southwest and northwest along the center line of
 Olney-Sandy Spring Road to its junction with the center line of [[Doctor
 Bird Road (Md. Route 182); then southeasterly along the center line of
 Doctor Bird Road to its immediate junction with Batchellors Forest]]
 Old Baltimore Road; then south and westerly along the center line of
 [[Batchellors Forest]] Old Baltimore Road to its junction with the center
 line of Georgia Avenue; then [[northerly]] southerly along the center
 line of Georgia Avenue to its junction with the center line of Emory
 Lane; then westerly along the center line of Emory Lane to its junction
 with the center line of Cashell Road; then northwesterly along the center
 line of Cashell Road to its junction with the center line of Bowie Mill
 Road; then northeasterly along the center line of Bowie Mill Road to its
 junction with the center line of Olney-Laytonsville Road (Md. Route
 108); then northwesterly along the center line of Olney-Laytonsville
 Road to its junction with the center line of Muncaster Road; then
 southwesterly along the center line of Muncaster Road to its junction
 with the center line of Muncaster Mill Road (Md. Route 115); then
 northwesterly along the center line of Muncaster Mill Road, continuing

as Snouffer School Road at Woodfield Road (Md. Route 124), to its
intersection with the center line of Goshen Road; then south along the
center line of Goshen Road to its junction with the center line of
Odend'hal Avenue; then westerly along the center line of Odend'hal
Avenue to its intersection with the southwest side of Lost Knife Road;
then northwesterly along the southwest side of Lost Knife Road to its
junction with the center line of Montgomery Village Avenue; then
southwesterly along the center line of Montgomery Village Avenue to
its intersection with the municipal boundary line of the City of
Gaithersburg; then westerly, northerly, and northwesterly along the
municipal boundary line to its intersection with the center line of
Watkins Mill Road; then northeasterly along the center line of Watkins
Mill Road to its intersection with a northern municipal boundary line of
the City of Gaithersburg; then northwesterly, southwesterly, westerly,
southerly, and again northwesterly along the municipal boundary line to
its intersection with the center line of Game Preserve Road; then
southerly along the center line of Game Preserve Road to its intersection
with the center line of Frederick Road (Md. Route 355); then
northwesterly along the center line of Frederick Road to its intersection
with Great Seneca Creek; then meandering southwesterly along the
center line of Great Seneca Creek to its intersection with the right-of-
way of the Potomac Electric Power Company (PEPCO) power line;
then southeasterly along the center line of the PEPCO right-of-way to
its intersection with Darnestown Road (Md. Route 28); then
southwesterly along the center line of Darnestown Road to its junction
with the center line of Jones Lane; then southerly along the center line
of Jones Lane to its junction with the center line of Turkey Foot Road;

then southeasterly along the center line of Turkey Foot Road to its intersection with Muddy Branch; then meandering southwesterly along the center line of Muddy Branch to its confluence with the Potomac River, the point of beginning.

District 3: The southwestern boundary of District 3 begins at the intersection of Muddy Branch and Turkey Foot Road; then northwesterly along the center line of Turkey Foot Road to its junction with the center line of Jones Lane; then northerly along the center line of Jones Lane to its junction with the center line of Darnestown Road (Md. Route 28); then northeasterly along the center line of Darnestown Road to the right-of-way of the Potomac Electric Power Company (PEPCO) power line; then northwesterly along the center line of the PEPCO right-of-way to its intersection with Great Seneca Creek; then meandering northeasterly along the center line of Great Seneca Creek to its intersection with the center line of Frederick Road (Md. Route 355); then southeasterly along the center line of Frederick Road to its intersection with the northern municipal boundary line of the City of Gaithersburg; then northerly, southeasterly, again northerly, easterly, again northeasterly, and southeasterly along the municipal boundary line to its intersection with the center line of Watkins Mill Road; then southwesterly along the center line of Watkins Mill Road to its intersection with the northern municipal boundary line of the City of Gaithersburg; then southeasterly, southerly, and westerly along said municipal boundary line to its intersection with the center line of Montgomery Village Avenue; then northeasterly along the center line of Montgomery Village Avenue to its junction with the southwest side of Lost Knife Road; then southeasterly along the southwest side of Lost Knife Road to its junction with

352 Oden'hal Avenue; then easterly along the southern edge of Oden'hal
 353 Avenue to its intersection with the center line of Goshen Road; then
 354 north along the center line of Goshen Road to its junction with the
 355 center line of Snouffer School Road; then southeasterly along the center
 356 line of Snouffer School Road, continuing as Muncaster Mill Road (Md.
 357 Route 115) at Woodfield Road (Md. Route 124), to the intersection of
 358 Muncaster Mill Road with the North Branch of Rock Creek; then
 359 meandering southwesterly along the center line of the North Branch of
 360 Rock Creek to its northeastern confluence with Lake Bernard Frank;
 361 then southwesterly along the center line of Lake Bernard Frank to its
 362 southwestern confluence with the North Branch of Rock Creek; then
 363 meandering southwesterly along the center line of the North Branch of
 364 Rock Creek to its confluence with Rock Creek; then meandering
 365 southerly along the center line of Rock Creek to a point opposite to
 366 Edgebrook Road; then west along a line of prolongation from a southern
 367 boundary line of Rock Creek Regional Park, to that boundary line; then
 368 west, north, and again west to the eastern boundary line of Parklawn
 369 Cemetery; then following that boundary line westerly, southwesterly,
 370 northwesterly, again westerly, and again northwesterly to its intersection
 371 with the center line of Fishers Lane; then westerly along the center line
 372 of Fishers Lane, and continuing along a line of prolongation from the
 373 center line of Fishers Lane to the center line of Halpine Road; then
 374 southwesterly along the center line of Halpine Road; then southwesterly
 375 along the center line of Halpine Road to its intersection with the center
 376 line of Rockville Pike (Md. Route 355); then southeasterly along the
 377 center line of Rockville Pike to its intersection with the municipal
 378 boundary line of the City of Rockville; then westerly along the

379 municipal boundary line to the center line of East Jefferson Street; then
 380 south along the center line of East Jefferson Street to the municipal
 381 boundary line of the City of Rockville; then westerly and southerly
 382 along the municipal boundary line to its junction with the center line of
 383 Montrose Road; then west along the center line of Montrose Road to its
 384 intersection with the center line of Seven Locks Road; then northerly
 385 along the center line of Seven Locks Road to the municipal boundary
 386 line of the City of Rockville; then westerly along the municipal
 387 boundary line to its intersection with the center line of Falls Road; then
 388 northerly along the center line of Falls Road to its junction with the
 389 municipal boundary line of the City of Rockville; then northwesterly
 390 along the municipal boundary line to its intersection with the center line
 391 of Watts Branch; then meandering southwesterly along the center line of
 392 Watts Branch to its intersection with the Potomac Electric Power
 393 Company (PEPCO) right-of-way; then westerly along the PEPCO right-
 394 of-way to its intersection with the center line of Piney Meetinghouse
 395 Road; then northeasterly along the center line of Piney Meetinghouse
 396 Road to its junction with the center line of Travilah Road; then
 397 southwesterly along the center line of Travilah Road to its junction with
 398 the center line of Turkey Foot Road; then westerly along the center line
 399 of Turkey Foot Road to its intersection with Muddy Branch, the point of
 400 beginning.

401 **District 4** The southeastern boundary of District 4 begins at the intersection
 402 of the boundary line of Montgomery County and Prince George's
 403 County (Maryland) with Cherry Hill Road; then northwesterly along the
 404 center line of Cherry Hill Road to Columbia Pike (U.S. Route 29); then
 405 southwesterly along the center line of Columbia Pike, continuing as

406 Colesville Road (U.S. Route 29) at Northwest Branch, to the
 407 intersection of Colesville Road and University Boulevard West (Md.
 408 Route 193); then northwesterly along the center line of University
 409 Boulevard West to its junction with the center line of Arcola Avenue;
 410 then northwesterly along the center line of Arcola Avenue to its junction
 411 with the eastern boundary line of Wheaton Regional Park; then
 412 northerly, easterly, northeasterly, again easterly, northerly and
 413 northeasterly along the park boundary line to its intersection with the
 414 center line of Randolph Road; then southwesterly along the center line
 415 of Randolph Road to its intersection with the center line of Connecticut
 416 Avenue (Md. Route 185); then southerly along the center line of
 417 Connecticut Avenue to its intersection with the center line of Veirs Mill
 418 Road (Md. Route 586); then northwesterly along the center line of Veirs
 419 Mill Road to its intersection with Rock Creek; then meandering
 420 northerly along the center line of Rock Creek to its junction with the
 421 North Branch of Rock Creek; then meandering northeasterly along the
 422 center line of the North Branch of Rock Creek to its southwestern
 423 confluence with Lake Bernard Frank; then northeasterly along the
 424 center line of Lake Bernard Frank to its northeastern confluence with
 425 the North Branch of Rock Creek; then meandering northeasterly along
 426 the center line of the North Branch of Rock Creek to its intersection
 427 with Muncaster Mill Road (Md. Route 115); then northwesterly along
 428 the center line of Muncaster Mill Road to its junction with the center
 429 line of Muncaster Road; then northeasterly along the center line of
 430 Muncaster Road to its junction with the center line of Olney-
 431 Laytonsville Road (Md. Route 108); then southeasterly along the center
 432 line of Olney-Laytonsville Road to its junction with the center line of

433 Bowie Mill Road; then southwesterly along the center line of Bowie
 434 Mill Road to its junction with the center line of Cashell Road; then
 435 southeasterly along the center line of Cashell Road to its junction with
 436 the center line of Emory Lane; then easterly along the center line of
 437 Emory Lane to its intersection with the center line of Georgia Avenue
 438 (Md. Route 97); then [[southerly]] northerly along the center line of
 439 Georgia Avenue to its intersection with the center line [[Batchellors
 440 Forest]] of Old Baltimore Road; then easterly and northerly along the
 441 center line of [[Batchellors Forest]] Old Baltimore Road to its junction
 442 with the center line of [[Doctor Bird Road (Md. Route 182); then
 443 northwesterly along the center line of Doctor Bird Road to its junction
 444 with the center line of]] Olney-Sandy Spring Road; then southeasterly
 445 and northeasterly along the center line of Olney-Sandy Spring Road to
 446 its junction with the center line of Brooke Road; then northwesterly and
 447 northeasterly along the center line of Brooke Road to its junction with
 448 the center line of New Hampshire Avenue (Md. Route 650); then
 449 northwesterly along the center line of New Hampshire Avenue to its
 450 junction with the center line of Gold Mine Road; then southwesterly
 451 along the center line of Gold Mine Road to its intersection with the
 452 center line of Hawlings River; then meandering northerly along the
 453 center line of Hawlings River to its intersection with Brighton Dam
 454 Road; then southwesterly and westerly along the center line of Brighton
 455 Dam Road to its junction with the municipal boundary line of
 456 Brookeville; then northerly, westerly, and southerly along the municipal
 457 boundary line to its intersection with Georgia Avenue; then northerly
 458 along the center line of Georgia Avenue to its intersection with the
 459 boundary line of Montgomery County and Howard County; then

southeasterly along said boundary line to its junction with the boundary line of Montgomery County and Prince George's County; then southwesterly along said boundary line to its intersection with Cherry Hill Road, the point of beginning.

District 5: The southern boundary of District 5 begins at the junction of the boundary lines of Montgomery County, Prince George's County, and the District of Columbia; then northwest along the boundary line of Montgomery County and the District of Columbia to the northernmost apex of the District of Columbia; then southwest along said boundary line to its intersection with Rock Creek; then meandering westerly and northwesterly along the center line of Rock Creek to its intersection with Veirs Mill Road (Md. Route 586); then southeast along the center line of Veirs Mill Road to its intersection with the center line of Connecticut Avenue (Md. Route 185); then northerly along the center line of Connecticut Avenue to its intersection with the center line of Randolph Road; then northeasterly along the center line of Randolph Road to its junction with the eastern boundary line of Wheaton Regional Park; then southeasterly, southerly, westerly, southwesterly, again westerly, and again southerly along that boundary line to its junction with Arcola Avenue; then southeasterly along the center line of Arcola Avenue to its junction with the center line of University Boulevard West (Md. Route 193); then southeasterly along the center line of University Boulevard West to its intersection with the center line of Colesville Road (U.S. Route 29); then northeasterly along the center line of Colesville Road, continuing as Columbia Pike (U.S. Route 29) at Northwest Branch, to its intersection with the center line of Cherry Hill Road; then southeasterly along the center line of Cherry Hill Road to its

intersection with the boundary line of Montgomery County and Prince
George's County; then southwest, southeast, south, and southwesterly
along the boundary line to its junction with the boundary line of
Montgomery County and the District of Columbia, the point of
beginning.
